EDUCATION:

CMR Engineering College

B. Tech Computer Science & Engineering (Cyber security) GPA: 8.10

Hyderabad, Telangana

Nov 2022 - Jun 2026

Narayana Junior college

Intermediate (MPC) GPA: 9.6

Hyderabad, Telangana

Jun 2020 - Mar 2022

SPR School of Excellence

GPA: 10.0

Hanumakonda, Telangana

Jun 2020

SKILLS:

- **Programming Languages:** Java , C, C++,Python
- **Front-end:** HTML, CSS , JavaScript
- **REST API**
- **Database Management:** MongoDB, SQL

PROJECTS:

1. Zerodha clone: Trading application (HTML, Javascript , MongoDB) [Project Link](#)

- Developed a trading application using **HTML, CSS, and JavaScript** for a responsive UI.
- Integrated **MongoDB and REST API** to store and manage orders efficiently.
- Implemented real-time market data updates for a seamless trading experience.
- Enabled users to place and track orders with secure database storage.

2.ShareWear: Food and Cloth Management System (HTML, JavaScript, MongoDB) [Project Link](#)

- Developed a web platform to facilitate food and clothing donations, connecting donors with recipients.
- Streamlined the donation process, ensuring efficient resource allocation and minimizing waste.
- Implemented robust data security measures to protect user information.

CERTIFICATIONS :

- Data Structures and algorithms Using java, Infosys- [LINK](#)
- Certificate of Course Completion in Fundamentals of cloud computing- [LINK](#)
- Certificate of course Completion in Fundamentals of Network Security [LINK](#)

Extracurricular Activities :

- **Member of Coding Club** –Active member of the Coding Club, organizing coding awareness programs and collaborating on skill development through workshops, projects, and competitions.

Area of Strength:

- Ability to guide and inspire teams toward achieving common goals.
- Strong ability to convey ideas clearly and collaborate effectively.
- Passionate about work with a proactive and motivated approach.
